The BULLETIN

AMA PRODUCTION

Tickets are still available in the Humanities Division for the performances of "The Burnt Flower-Bed" on November 11, 12, 18, and 19. Invitations have been sent to near-by high schools for interested students to attend dress rehearsal performances on Thursday, November 10, Wednesday, November 16, and Thursday, November 17. A demonstration video-tape will also be taken by a private firm.

HOLIDAY

Friday, November 11, Veterans' Day, will be an academic and administrative holiday.

COLLEGE CHORUS

Staff members are again encouraged to come and sing on Tuesdays, 3:30 to 5:30 in C-116.

MULTY WIVES

First major event of the year - a tour of the Mission Inn in Riverside with luncheon to follow - is scheduled for Tuesday, November 8 at 11:00 am. Dr. Robert Harrison is chairman, with Mrs. Russell DeRemer, Mrs. Ronald Barnes and Mrs. James Crum serving on the committee for the event.

QUESTION: Whose art is showing?

ANSWER: Pottery by Leonard Farwell is on exhibit through November 15 at the Riverside Fine Arts Guild's Little Gallery in the Mission Inn (Riverside). Open daily from 10:00am to 5:30pm except Sunday, when the hours are noon to 5:00pm.

CAL-POLY CAMPUS

Our closest neighbor in the State College system achieved self-administration by action of the Board of Trustees at their meeting October 27 in Los Angeles. The college, formerly administered as a branch of Cal-Poly, San Luis Obispo, will now be known as California State Polytechnic College, Kellogg campus. Dr. Robert C. Kramer, formerly vice-president, was named president of the trustees.

DIRECTORY

The Publications Office is in the process of compiling and printing a directory of personnel which would give home addresses and phone numbers as well as campus listings. If you have changes of address or phone number, we would appreciate your keeping this office informed.

SYMPHONY

Membership applications for the 1966-67 season of the San Bernardino Symphony Association are available in the Publications Office, A-197. It appears that the Los Angeles Philharmonic will not be able to offer a season of symphony concerts this year, so consider the advantage of the local Association. First of four concerts is Thursday, November 17.

PROPOSITION 2

Members of the College Faculty and Staff are indebted to the Inland Empire Citizens Committee for "Yes on Proposition 2." The twenty-one members led by James K. Guthrie and Earl Reynolds as Co-chairman, have given their support to the passing of the current bond issue for higher education. They have been instrumental in raising over \$2,000 from individuals in the community to help pay the cost of informing the public. Dean Joseph Thomas has worked closely with the Committee, giving much of his spare time.

(Even if you don't believe in providing a college education for the coming generations of California citizens, vote for Proposition 2 to make Dean Thomas happy!)

STATE SERVICE CENTER

Mr. Adrian Dove, Manager of the new State Service Center, invited all interested members of the faculty to an Open House on Saturday, November 3, from 1:00 to 5:00. The Center is located at 1653 Mt. Vernon Avenue (Mount Vernon Plaza). All public and private service agencies -- employment, welfare, training, and rehabilitation, etc.--are offered here as a coordinated program. In developing and operating the Center, Mr. Dove would like to be able to consult with the academic community.

GRADUATE RECORD EXAM

College seniors planning to seek admission to a graduate school may wish to take the Graduate Record Examination - for many schools it is required. The GRE will be administered at Valley College and at UCR on January 21, 1967. Arrangements can be made also to take the exam in Los Angeles on December 17, 1966. For either date, applications should be submitted as early as possible. Please advise senior students that information and applications forms are available in the office of the Dean of Students, A-104.

PLACEMENT FOR SENIORS

Doyle Stansel reports that this College is now a member of the Western College Placement Association. Main purpose of WCPA is to improve and coordinate placement practices through the cooperative efforts of 300 member colleges and universities and organizations from business, industry and government. Inquiries concerning characteristics of the CSCSB senior class are starting to come to the Placement Office from large organizations. Seniors who will be graduating this year are invited to register at the Placement Office to receive the various services of that center.
